June is the "fun" meeting of the year - everything from the elections of new officers to approving the budget for the upcoming year - to, most importantly, our awards program!

Many of our members have put in long hours this past year to make our neighborhood a better place to live, and their efforts must be recognized. Maybe because of other commitments you have, you were unable to volunteer as much time as you would have liked to this year. Well, come to the June meeting, and let's show our appreciation to those who "went that extra mile" this past year. If you know you are one of those people who invested lots of time and energy in the GPNA last year, you definitely need to show up! In any case, come and share in the excitement. Hope to see you there!

Starting that next big project for the Summer?

If so, here are some facts you should know!

The Gifford Park Neighborhood Association has a tool lending program designed to help. The purpose of this program is to provide tools to neighbors who don't have a particular tool, or who don't have a place to store tools. Call the Tool Lending Hotline, maybe we have what you need to finish that project!

We Have:

Rakes, Saws, Shovels, Garden Tools, Hedge Clippers, Garden Hoe, Ladder, Post Hole Digger, and a Lawn Mower

Hotline Numbers: Jim 341-4695, Ed 341-0475, and Chris 342-6006

WISDOMS FOR THE MONTH

"One sees beauty as beauty, only because there is ugliness."

- Chinese Proverb

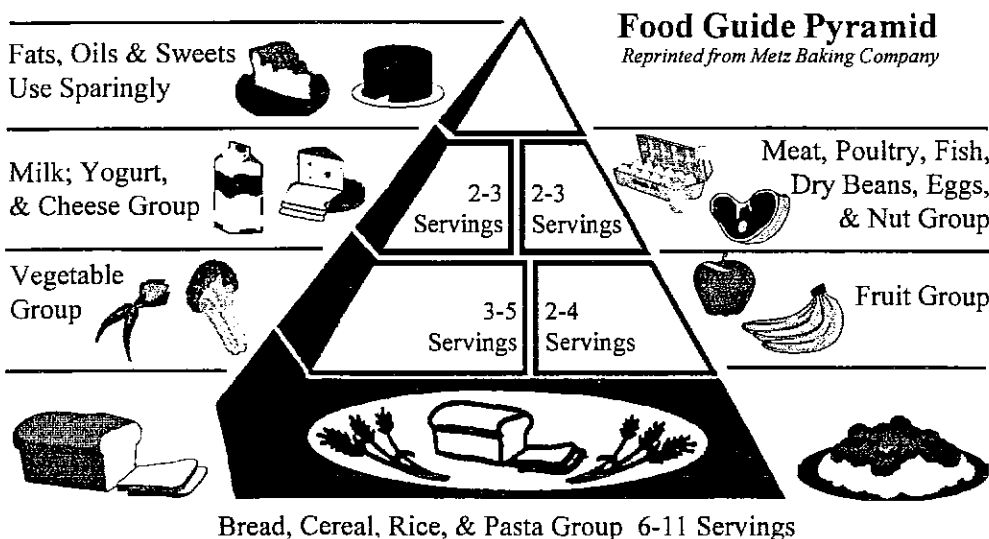

"Charm is the ability to make someone think that both of you are quite wonderful."

- Anonymous

EATING HEALTHY

Did you know that the Surgeon General of the United States has reported that people who eat their 5-6 servings of fruits and vegetables everyday, and maintain a high fiber diet, get cancer half as often as those of us who don't? Take a tip from the experts, and follow the chart below for healthier eating!

WANTED!!!!

The Gifford Park Neighborhood Association wants YOU to submit articles for the editorial section of our newsletter. All articles must be signed and submitted by the third Thursday of the month.
