## Gifford Park Neighborhood Lighting Up With Holiday Displays

GPNA volunteers plan to view holiday decorations in our Gifford Park neighborhood the evening of **Thursday, December 22**, so have your decorations up and your lights on! If you would like to help be a "viewer" of addresses, please call **Chris Foster (402-290-8187 or [foster3413@cox.net](mailto:foster3413@cox.net))**. We will publish in the next in GPNA newsletter the addresses of nice displays. Below is last year's address list of exceptional holiday decorating in our neighborhood; we thought it would be good to share these addresses if you have time to take your family/friends on a tour of the neighborhood - I'm sure most of these same addresses will look nice again this year...some of you have already started!

**From The President . . .**

Hope you all have enjoyed the beautiful fall. It is great to see all the wonderful colors that fall creates in our neighborhood. Sounds like the white of winter will be here soon, so get your snow shovels ready to go. Remember that even if you do not use your sidewalks, others do, so it is important to clear the walks of snow as soon as possible after a snow. The many that walk in the neighborhood (including their K9 friends) will appreciate it.

A big thank you to **California Taco** for allowing us to hold our November meeting at their facility. Also, thanks for providing the soft drinks and chips. During this meeting you elected next year's GPNA officers and board members which I as president am looking forward to working with. Please contact me or any of the officers and/or new board members with your suggestions of what you would like GPNA to accomplish in 2012.

Have a very blessed holiday season and a happy new year.

**LOCAL Campaign Information**

Supporters of the **LOCAL** Campaign continue efforts to make Omaha a safer and healthier place by working to get an ordinance adopted that addresses negative consequences associated with alcohol outlets.

The Campaign is in the final stages now. A draft of the proposed ordinance has been submitted to the City's Planning Department. In its current form, the drafted proposal will provide guidelines outlining where *new* alcohol outlets may be placed. It also establishes public nuisance abatement standards for both new and existing alcohol outlets to address quality of life issues, crime and violence.

Since the Campaign kickoff in October 2010, supporters have heard from individuals who live, work and shop near alcohol outlets question their safety, expressing concern to walk in their own neighborhoods or visit parts of the city where crime is more prominent.

The adoption of an ordinance that addresses problems associated with alcohol outlets has been gaining momentum, winning support from critical leadership throughout the City. Recently, the City's Legal Department gave its nod to move forward with the concept the proposed ordinance hopes to achieve. Deputy City Attorney Tom Mumgaard wrote in a legal opinion, "I recommend that this proposed ordinance be considered; it has good qualities. It can achieve more local control over liquor sales."

Well before this point, however, the idea of controlling the growth of alcohol outlets and their associated harms was put forward by Environment Omaha's recommendations adopted by the Omaha City Council on a 7-0 vote in 2010 and included in the City's Master Plan.

We thank those individuals, neighborhood associations and organizations that have lead in this effort by signing the resolution of support. If your neighborhood association or organization has not yet signed the resolution, we encourage you to contact the **LOCAL** Campaign for a copy and to receive real-time updates. To contact the **LOCAL** Campaign, e-mail [thelocalcampaign@gmail.com](mailto:thelocalcampaign@gmail.com) or join our Facebook page at "The **LOCAL** Campaign" to receive important updates. We can't achieve a safer and better place for families and children without your leadership and backing. Thank you for your support.

**Alcohol Outlet Beverage Sales Ordinance: Safe for families. Safe for neighborhoods. Good for business.**

## CBPO Update

The fall has been a busy one at the bike shop. Heading into December, we are looking forward to our **Golden Spokes Awards Party** at the **Pizza Shoppe** in Benson on **December 15th** from **7-10 p.m.** The Golden Spokes Awards is an annual year-end celebration at which we acknowledge the efforts of our volunteers. We will be presenting our coveted Golden Spokes awards to particularly stand-out individuals and taking some time to relax and socialize. Entertainment will be provided by the Prairie Gators. We realized too late, unfortunately, that this event falls on the same evening of the GPNA Holiday Banquet. But...although you may not be in the mood for any more food after the banquet, we do hope you will stop by the Pizza Shoppe afterwards to enjoy the show.

Just a reminder about our winter hours. Beginning the first week of December, the shop will only be open to the public on Saturdays from 12-4. We are still encouraging volunteers to come work with us on Wednesday and Thursday evenings from 6-8 pm. On these nights we will be busy repairing donated bikes and taking care of housekeeping tasks around the shop.

We hope you all have a happy holiday season! Please stop by the shop to say hello.

## What Will The Future Look Like?

The ongoing evolution of the Gifford Park Neighborhood Association and its effect on our community is frankly a testament to the term "Grass Roots." This is not the same neighborhood that I moved into, back in 1975. I'm firmly convinced that, as in the past, where one success led to another, the future will be even better for the people who live here.

A cultural shift has occurred since those radical activist days of 1988-1993. The activism in our neighborhood has become a way of life for many long term residents, and newcomers are increasingly attracted to our neighborhood because of that tradition of neighbor helping neighbor, and neighbors helping the neighborhood.

For those of us who saw the "before" picture, we're happy, proud, amazed, thankful, and yes, committed to continue to work for the ultimate "after." That eventual future lies within our collective imagination.

If you're not a member of the GPNA, become one. If you're a member of the GPNA, become an active one. I'm sure you'll find that one or more of our diverse projects and programs will fit your talents and abilities. If you're already an active member of the GPNA... BRAVO!!! ...and thank you.

**Community Garden Update**

Since the community garden has been “put to bed” until next spring, it’s a great time to take a break, and thanks to everyone who volunteered and participated in the community garden and youth garden programs! However please do stop by to view the annual lighted Christmas tree near the front of the garden.

For those of you who had garden plots this past year, a bit of information about next year’s garden: In 2012 we will roll back the plot fees to the 2010 level; \$15 for the large 5’ X 15’ plots, and \$8 for the smaller 5’ X 8’ plots. Since GPNA memberships expire at the end of the year, membership renewals for 2012 will be available at our annual Holiday Banquet on December 15th. And, if you returned the survey we sent you, indicating that you plan to keep your plot next year, and you renew your GPNA membership at the banquet, we will waive the garden plot application process, and all you’ll need to do is pay the plot fee when we send you the 2012 Garden information in early spring. If you have any questions, contact **Chris Foster (402-290-8187 or [foster3413@cox.net](mailto:foster3413@cox.net))**. We hope everyone has a happy and safe Holiday season.

*by Chris Foster*

*Thanks Bob & Darryl Hutton for securing the Community Garden Christmas tree in place!*

**If You See Crime - Report It!**

This is a great opportunity for us as a neighborhood to help law enforcement and help our own neighborhood, especially this time of year with the holiday season upon us (we had a report of a neighborhood resident who had Christmas decorations stolen from their yard). Here’s things you can do: Observe and report suspicious activity (it’s the right thing to do and it helps to document issues); When calling 911 be willing to meet with officers even if you meet at a nearby location (the call will be given a higher priority); If possible, take pictures and provide as much information as you can. Northeast Police Precinct Crime Prevention Specialist **Theola Cooper (402-444-3367, [Theola.Cooper@ci.omaha.ne.us](mailto:Theola.Cooper@ci.omaha.ne.us))** is an excellent resource to contact if you have specific information on problem issues. Remember the old saying, “If you are not part of the solution, you are part of the problem.”

**Yates Community Center Update**

Remarkable programs continue at Yates! The neighborhood association met with OPS for an update at Yates Community Center on October 25. The upper floors continue to house programs for newcomers to the states. The main floor classrooms house early Head Start programs. OPS plans to continue this programming, as well as investigate additional options for the facility down the road.

OPS presented an update on the neighborhood demographics and confirmed what we know in Gifford Park: there are lots of kids! Relative to other parts of the city, a small percentage of school children attend the neighborhood school, Kellom Elementary. Only small areas of the neighborhood are served by busses to the neighborhood school. The remaining kids exercise choice in the school of attendance or home school. The neighborhood association continues to work to bring community support around the school. The potential for increasing neighborhood involvement and

### Call For Yarn & Knitting Needles

The refugees at **Yates Community Center** are busy knitting warm socks, mittens, hats, and scarves to get through a Nebraska winter, and they can use your help! thereby benefiting our community is enormous. For example, there is currently a community garden planned for the school that will extend education opportunities beyond the classroom. There is also discussion of providing a shuttle bus to Kellom for children who would like to walk to the neighborhood school but find the trip to harrowing. OPS has been receptive to both these ideas. We have much to look forward to at Yates!

## What's Happening In The Neighborhood . . .

Mark your calendars for the annual **Restore Omaha** Conference and Exhibition scheduled for **Saturday, March 3, 2012** at **Metropolitan Community College, South Omaha Campus**. Now in its seventh year, Restore Omaha is an organization that teaches and motivates the public to restore and preserve older properties. Go to [www.restoreomaha.org](http://www.restoreomaha.org) for conference details as they become available. For questions about Restore Omaha, call 402-679-5854 or [info@restoreomaha.org](mailto:info@restoreomaha.org). The conference is hosted by Metropolitan Community College.

In case you hadn't heard, the Gifford Park neighborhood has been recognized as "**Omaha's Greenest Neighborhood**" by the Green Neighborhood Coalition...for the 2nd year in a row!!

The GPNA thanks our three newest board members **Jeff Spiels, Travis Lavender** and **Eric Purcell** for also taking on some of our newsletter delivery routes – thanks guys!

If anyone has any neighborhood memorabilia or history items (pictures, videos, books, awards, articles, other items) please contact **Chris Foster (402-290-8187** or [foster3413@cox.net](mailto:foster3413@cox.net)). The GPNA has collected and inherited items over the years and we would like to better organize some of the neighborhood and GPNA history that tells quite a rich, interesting and on-going story. Our GPNA historian **Eva Swanson** did a wonderful job of capturing information into our "History Book" and two large scrapbooks. We would like to build on this good work.
